

MRS. STOKES LOSES HER VOTE TO-DAY; CASE POSTPONED

Bail Reduced to \$1,500 and Magistrate Calls Arrest "Absolute Wrong."

was released on bail in Night Court. Deputy State Attorney General Becker appeared against her this morning in behalf of the State Bureau of Elections, which contends that Mrs. Stokes's act in registering constituted a felony because of her conviction in a Federal Court in Kansas under the Espionage Act and under which she is now at liberty on an appeal bond.

George M. Gilman, attorney for Mrs. Stokes, made an unsuccessful attempt to get the charge dismissed. While stating that he thought "it was absolutely wrong to arrest this woman late last night, on the eve of election, when the crime she is alleged to have committed took place on Oct. 12," Magistrate McGehee recognized the contention of the prosecution that "a criminal charge could not be heard in such a summary manner."

Representatives of District Attorney Swann, along with the hearing, all was Dr. Frederick C. Schell, State Superintendent of Elections.

Mr. Gilman contends that a person convicted in a Federal Court for an offense not recognized as a felony by the New York State laws is not debarred from voting.

ALLIES COMPLAIN CHINA HAS BEEN REMISS IN WAR

British Minister at Peking Presents Memorandum to Foreign Office.

PEKING, Monday, Nov. 4 (Associated Press).—The British Minister to China, with the concurrence of the other allied legations, has handed informally to the Chinese Foreign Office memorandum concerning matters in which China is regarded as having been remiss as an ally. Among the instances mentioned are the following:

The wasting in party quarrels of the boxer indemnity remitted for the purpose of fostering industries to enable participation in the war.

Lack of results by the Chinese War Participation Bureau and the diversion of Chinese troops to civil war in the south.

The appointment of a papal minister without consultation, creating an impression of friendship with the enemy.

Failure to confiscate enemy property, to impose restrictions on enemy enterprises and to impose penalties for trading with enemy subjects.

Refusal to retire the Governor-General of Heilin for supporting the enemy and the Bolsheviks in spite of the protests of the Allies.

Failure to imprison intriguing enemy subjects.

Failure to permit allied consuls to witness the trials of arrested spies.

WOMEN GET WRIT TO VOTE.

Justices Order Election Board to Accept Twins' Ballots.

MRS. LEOLA N. KING, wife of a Captain in the U. S. Medical Corps, is this country's first woman traffic "cop." She has been assigned in Washington to a busy corner, and in case her badge and official uniform are not respected she can use the busines-like six-shooter dangling from her belt. Her first appearance, when she had stopped traffic temporarily instead of speeding it, quickly becomes accustomed to the novelty.
